### **Beijing: Writer / researcher wanted for book on architecture and urbanism**

This is a recruitment advertisement. Please contact the advertiser directly if you are interested. Recruitment advertisements are currently offered free of charge to advertisers in relevant industries, as a service to Danwei readers. See all job ads.

BODE (Beijing Office for Discourse Engineering), an editorial studio rooted in the art world and located near the Lido, seeks a researcher-writer with native English and excellent Chinese for a book project on Beijing architecture and urbanism entitled Beijing 2008 to be jointly published by Random House China and Beijing Publishing House. The position runs full time from April 16 through August 31. Work will involve archival research on urban planning and architecture in the capital (using mainly Chinese sources), collecting materials and images related to the Olympic architectural projects now underway, on-site research in the various areas around the city to be profiled, and translation into English of texts by Chinese contributors. The team of four is led by Philip Tinari and includes one other writer-researcher and a graphic designer.

Base salary can be supplemented with additional income opportunities from BODE's considerable pool of contemporary-art-related translation and editorial assignments. The ideal candidate will be young, ambitious, passionate about architecture and art, and willing to work extremely hard. Please direct further inquiries along with CVs and writing samples immediately to phil.tinari@gmail.com.

## CHAPTER 15 - MASTERS AND MASTERPIECES OF LITERATURE

Great Authors"Classification"The World's Best Books.

The Bible is the world's greatest book. Apart from its character as a work of divine revelation, it is the most perfect literature extant.

Leaving out the Bible the three greatest works are those of Homer, Dante and Shakespeare. These are closely followed by the works of Virgil and Milton.

### INDISPENSABLE BOOKS

Homer, Dante, Cervantes, Shakespeare and Goethe.

(The best translation of \_Homer\_ for the ordinary reader is by Chapman.

Norton's translation of \_Dante\_ and Taylor's translation of Goethe's \_Faust\_ are recommended.)

### A GOOD LIBRARY

Besides the works mentioned everyone should endeavor to have the following:

\_Plutarch's Lives\_, \_Meditations of Marcus Aurelius\_, \_Chaucer\_, \_Imitation of Christ\_ (Thomas a Kempis), \_Holy Living and Holy Dying\_ (Jeremy Taylor), \_Pilgrim's Progress\_, Macaulay's Essays, Bacon's Essays, Addison's Essays, Essays of Elia\_ (Charles Lamb), \_Les Miserables\_ (Hugo), \_Heroes and Hero Worship\_ (Carlyle), \_Palgrave's Golden Treasury\_, \_Wordsworth\_, \_Vicar of Wakefield\_, \_Adam Bede\_ (George Eliot), \_Vanity Fair\_ (Thackeray), \_Ivanhoe\_ (Scott), \_On the Heights\_ (Auerbach), \_Eugenie Grandet\_ (Balzac), \_Scarlet Letter\_ (Hawthorne), \_Emerson's Essays\_, \_Boswell's Life of Johnson\_, \_History of the English People\_ (Green), \_Outlines of Universal History\_, Origin of Species, Montaigne's Essays, Longfellow, Tennyson, Browning, Whittier, Ruskin, Herbert Spencer\_.

A good encyclopaedia is very desirable and a reliable dictionary indispensable.

### MASTERPIECES OF AMERICAN LITERATURE

\_Scarlet Letter\_, Parkman's Histories, Motley's Dutch Republic, Grant's Memoirs, Franklin's Autobiography, Webster's Speeches, Lowell's Bigelow Papers\_, also his \_Critical Essays\_, \_Thoreau's Walden\_, \_Leaves of Grass\_ (Whitman), \_Leather-stocking Tales\_ (Cooper), \_Autocrat of the Breakfast Table\_, \_Ben Hur\_ and \_Uncle Tom's Cabin\_.

### TEN GREATEST AMERICAN POETS

Bryant, Poe, Whittier, Longfellow, Lowell, Emerson, Whitman, Lanier, Aldrich and Stoddard.

### TEN GREATEST ENGLISH POETS

Chaucer, Spenser, Shakespeare, Milton, Burns, Wordsworth, Keats, Shelley, Tennyson, Browning.

### TEN GREATEST ENGLISH ESSAYISTS

Bacon, Addison, Steele, Macaulay, Lamb, Jeffrey, De Quincey, Carlyle, Thackeray and Matthew Arnold.

### BEST PLAYS OF SHAKESPEARE

In order of merit are: \_Hamlet\_, \_King Lear\_, \_Othello\_, \_Antony and Cleopatra\_, \_Macbeth\_, \_Merchant of Venice\_, \_Henry IV\_, \_As You Like It\_, \_Winter's Tale\_, \_Romeo and Juliet\_, \_Midsummer Night's Dream\_, \_Twelfth Night\_, \_Tempest\_.

### ONLY THE GOOD

If you are not able to procure a library of the great masterpieces, get at least a few. Read them carefully, intelligently and with a view to

enlarging your own literary horizon. Remember a good book cannot be read too often, one of a deteriorating influence should not be read at all. In literature, as in all things else, the good alone should prevail.

### **Taliban leader demands Afghan president negotiates release of Ajmal Nakshbandi**

Kabul, Afghanistan (RFE): Taliban leader Mullah Dadullah recently demanded that Afghan President Hamid Karzai negotiate for the release of Ajmal Nasqbandi, whom the Taliban is currently holding hostage, Reuters reported on March 29. Nasqbandi is the Afghan interpreter who was kidnapped by the Taliban on March 4 along with Italian reporter Daniele Mastrogiacomo and a driver, Sayyed Agha, who was beheaded by his captors. Threatened to kill the Afghan interpreter unless the Kabul government freed two Taliban prisoners, according to an interview broadcast on Italian television on Thursday

### **Interpreter Ajmal Naqshbandi appeals to Karzai for freedom**

Kabul, Afghanistan (Reuters) Afghan translator Ajmal Naqshbandi kidnapped by the Taliban with an Italian journalist a month ago has personally appealed to President Hamid Karzai for help, at the same time accusing him of caring only for foreigners. "You have forgotten the Afghan journalist. You are worried only for the foreigners and you are not worried for Afghans," Ajmal Naqshbandi told Karzai in an appeal passed on through Pakistani journalist Rahimullah Yusufzai late on Friday.

### **Arab Summit conclusion focuses on translation**

Washington, USA (MEMRI): The Arab summit ended today with Arab League Secretary-General Amr Moussa's reading of a final statement. According to MEMRI, the statement was full of platitudes, and dealt with the need to deepen the Arab identity and increase the number of translations of books from and into Arabic language. The statement includes a vague reference to the peace initiative for Palestine, but nothing was said about other burning issues, such as Lebanon, Iraq, Somalia, and Sudan/Darfur.

### **Iran accuses Russia of mistranslation**

Tehran/Moscow (RIA Novosti): Iran's ambassador to Russia said Saturday Russia's satellite channel Vesti 24 voiced an erroneous translation of his words about the possible fate of 15 British sailors and marines detained by Iran last week. Some media quoted the ambassador, Gholam Reza Ansari, as telling Vesti 24 Friday that the 15 detainees could be put on trial in Iran.

### **Report: pediatricians provide few translation services for patients with little English proficiency**

Washington, USA (EurekaAlert): Most pediatricians use untrained interpreters to communicate with families who are not proficient in English, according to the results of a nationwide survey of doctors led by researchers at Johns Hopkins University. Nearly two-thirds of the pediatricians surveyed said they relied on the patient's bilingual family member to relay health information. Pediatricians in rural areas or in states with higher proportions of non-English proficient populations were the least likely to use professional translation services. The study is published in the April 2007 issue of Pediatrics.
